From The PDB, Jumkun Dist.
Letter no FC 46/114 of 30/1/45

Requests sanction to the resolution of the Board passed on 15/1/45 requesting Govt to meet the entire expenditure on account of the "Dearness Allowance" paid to the employees working under the Board, including the compounders, Hidwan peons etc working in the F and other Dispensaries, out of 'State Funds' from the year 1943-44

Subd The Board propose that the D.A. paid by the Board to the employees in question, may be met out of State funds, on the ground that this expenditure is working as a great hardship on the slender finances of the Board.

2) This is question which rises a general issue and similar concession may be claimed by the other District Boards, in case this is approved. Besides the Jumkun Dist Board enjoys a sound financial position and it is hardly necessary for the Board to claim this concession.

3) The Fin Secty may perhaps, be consulted in the matter.

MRB 9/2/45 (4) What is the amount involved in this case? Surely in respect of other Dist Bds it may also be got. 9/2/45

The Chamarajanagar Municipality is paying Dearness Allowance for all the municipal employees including the scavengers as per latest Government scale The following is the amount paid so far -

1945-46 upto the end of August	Rs 976- 0- 0
Total	Rs 9,857- 0- 0

Out of the Municipal income this heavy extra expenditure is borne by the Municipality and a very big sum has been paid out of the Municipal funds Hence pray recommendation may kindly be made to Government to bear the entire dearness allowance paid by the Municipality

3) A few reports received from certain D.C's show that many of the Local bodies had agreed to meet this additional demand from their own funds On the basis of these reports, govt have passed orders directing that the entire expenditure on this account be debited to the funds of the Local bodies The Shimoga Town mil el points out that the govts of Bengal and Madras have sanctioned grants towards this additional demand to the Local bodies

4) As seen from the reports published in the Hindu, the govt of Bengal have advanced a sum of Rs 10, 77,000 as assistance to the corporation of Calcutta towards the payment of Dearness allce to its employees It is not clear from this report whether other Local bodies in Bengal province

Sir,

Adverting to G O No 8904-23/Ml 150-44-7 dated 8-3-1945, regarding the grant of Dearness Allowance to whole-time employees of Local Boards, I have the honour to state that during 1943-44 the Board has incurred an expenditure of Rs 2,366-5-0 to the employees of the Board and Rs 3 304/- towards the medical staff working in this District During the current year also a sum of Rs 3,180/- and Rs 4 690/- respectively was provided in the Budget Estimates In view of the further increase of Dearness Allowance sanctioned as per G O No Fl 4152-4215/S & A 160-44-1, dated 27-3-1945 with effect from 1st January 1945 it is found necessary to revise the Budget under this head to Rs 4 372/- and Rs 6,020/- during the current year In view of the increase of Dearness Allowance being operative until further orders necessary provision has also been made in the Budget of the ensuing year, the probable expenditure to be incurred being Rs 5,472/- and Rs 6,760/- respectively It is thus seen that a sum of Rs 12,232/- has to be incurred every year hereafter in consequence of the increase in the cost of living in view of the abnormal rise in articles required for human consumption

It has been represented previously that the income of the Board is limitted and it is not in a position to provide expenditure for any additional items While the income of many of the Government Departments has increased, the income of the Board has remained almost stagnant and in some aspects there has been a decrease especially in market collections and cattle fairs owing to restrictior

on the movement of controlled articles and cattle disease. The obligatory duties devolved on the Board has greatly increased and the Board is finding it difficult to carry on the normal duties and many works of public utility have to be deferred for want of funds As the cost of materials had enormously increased during the current year many public works which were provided in the current years budget at the then prevailing rates could not be got executed, as contractors did not come forward to accept the contract Hence the Board is providing in the next year's budget a higher percentage over the estimate and in come cases even 100 per cent in view of the increase in the cost of materials as the works are of an inevitable necessity there will thus be an additional expenditure under public works next year The Board finds it difficult to meet the extra expenditure of over 12 thousand rupees every year out of its meagre income towards Dearness Allowance Hence I request you to kindly move the Government to pay the entire Dearness - Allowance from general revenues, the Government allotting grant to the Board to pay this extra expenditure as the Board cannot afford to meet this expenditure from its scanty resources

Sir

Subject - Grant to the Shimoga Town Municipality for paying dearness allowance to the employees at the enhanced rate - payment of -

****

I have the honour to state that the Municipal Council, Shimoga have also to pay dearness allowance to their employees at the enhanced rates in accordance with the recent Government Order This is a heavy drain on the already strained resources of the Municipal Council The Municipal Council have to spend - about Rs 19,056/- per annum on this account at the rate recently sanctioned by Government

This subject was, therefore, brought before the Municipal Council at their Special General meeting held on the 4th instant when it was resolved that Government may be requested to kindly sanction necessary grants to the Municipality for meeting this item of expenditure

I may state in this connection that the Government of Bengal have sanctioned a grant of Rs 10,77,000/- to the Calcutta Corporation for payment of dearness - concessions to its employees Similarly, the Madras Provincial Government have sanctioned a grant of - Rs 11,49,000/- in addition to the grant of Rs 3,00,000/-

already provided for in the Budget for the current year for distribution among the several local bodies - on this account when the Corporations like Calcutta, adras & etc , are being helped by the respective - Provincial Governments in this direction, it is but fair that the Government of His Highness the Maharaja be pleased to extend a helping hand in this behalf to the extent of the dearness allowance

In these circumstances, I request you kindly to recommend to Government to sanction grant of - Rs 15,000/- for the current year towards dearness - allowance as resolved by the Municipal Council

Sir,

With reference to your letter No L 9529-37 dated 16th March 1946 requesting to furnish information as to the total amount involved in respect of payment of dearness allowance to the employees of the Town and Municipalities for the year 1943-44 and 1944-45, I have the honour to append herewith the particulars called for -

	1943-44	1944-45
City Improvement Trust Board Office Amount paid	Rs 1,814-7-0	Rs 3,317-12-0

This excludes payments made to work charged establishment as the dearness allowance paid to the staff is charged to the estimates of the concerned work

As regards any definite opinion as to whether the Government should bear any portion of the resporsibility in this behalf, I have to state that since the payment of salary of this office establishment is met out of the usual annual normal grant of Rs 75,000/- and no enhancement of this normal grant has been made due to payment of dearness allowance to the staff, it seems reasonable that the Government bears the full amount involved in payment of this dearness allowance during 1943-44 and 1944-45

Sir

With reference to your memo No L 9538-40 of the 16th ultimo forwarding a copy of your letter of even date addressed to Deputy Commissioners of Districts in the matter of Dearness Allowance paid to the employees of Local Bodies in the State, I have the honour to append in the margin, the amounts of expenditure incurred by the Sanitary Board towards Dearness Allowance to their employees during the year 1943-44 and 1944-45 as required in your letter As the enhanced rates of Dearness Allowance now in force were brought into effect only from the 1st January 1945, the figure given above for 1944-45 represents the amount of Dearness Allowance paid at the old rates from 1-7-1944 up to 31-12-1944 and at the enhanced rates from 1-1-1945 up to end of June 1945 So, the amount of actual expenditure that the Board will have to incur every year on the basis of the rates now in force works up to Rs 22,800/-

Year	Amount of Dearness Allowance paid
1943-44	Rs 11,852-6-0
1944-45	13,969-4-0

As regards the other point raised in your letter viz , whether Government should bear any portion of the responsibility in this behalf, I may add that it cannot be denied that the expenditure on this account is as much a legitimate charge on the funds of the Sanitary Board as the payment of the salary of its staff But in view of the fact that the revenues of the Board are for the most part inelastic and

very limited (the normal revenues being only about Rs 2 Lakhs the Board find it very difficult to meet this expenditure which works up to more than one-tenth of their total yearly income, with the re ult that with a view to eet this, they have had to curtail certain other items of obligatory expenditure I therefore request that Government may be pleased to sanction a s ecial gr to the extent of a moiety of the ex enditure incurred by the Board on this account

The figures given above do not include the Dearness Allowance that is being paid by the Board to the staff of the Sanitary Board High School which stands on a dif erent footing The monthly expenditure on this account works up to Rs 223/- against which the Board is receiving a grant of Rs 85-8-0 per month from the Department of Public Instruction

D A Paid by the Municipalities

With reference to your letter No L 9529-37 dated 16-3-1946 on the above subject, I have the honour to note in the margin* the amounts paid as dearness allowances in the several Municipalities of the District during the years, 1943-44 and 1944-45

I may state in this connection that although the income of the Municipalities slightly increased during the years of war, slightly in Octn, the expenditure under all heads ~~also proportionately~~ increased very much. The payment of the Dearness allowance to the employees was a heavy burden on the Municipalities A special provision has been made in the state budget for meeting this expenditure and it appears but fair that these local bodies should be subsidised atleast to half the extent of payments made by them so far and 50 % of further payments of dearness allowances, charged to the special provisions in the State Budget

Re Grant of full quota of Dearness Allowance to Municipalities

Respected Sir,

I most respectfully beg to bring the following difficulty which we the Municipalities in the State are feeling ever since the Dearness Allowance was paid to our employees

As you are aware, our income in the Municipalities is very limited and our resources also are very poor During these hard days the life of every municipal employee just like other Government servants has become very costly When the people working in Government Service are getting Dearness Allowance, if we, the municipalities do not pay, there will be dis-satisfaction among them and the work of the Municipalities cannot be turned out -- satisfactorily Hence, out of sympathy and justice, we were -- forced to pay the Dearness Allowance to all our employees even to the conservancy staff at the Government rate By this the municipalities are very heavily taxed and as a matter of fact we have no money to meet the amenities of our rate-payers I learn that in other municipalities like Bombay and Madras, the Government is meeting the entire Dearness Allowance For example, the Chamaraja-nagar Municipality has so far paid Rs 10,000/- towards Dearness Allowance Hence, I most respectfully beg to request you, Sir, kindly to consider our grievances and come to our aid by meeting the entire Dearness Allowance by Government ever since we paid, and an announcement may kindly be made by Government in this Assembly

Subject _ Amount involved in payment of D A in all the Municipalities in the District

---

With reference to your letter No L 9529-37 dated 16-3-46 on the above subject, I have the honour to enclose herewith a consolidated statement showing the amount involved in respect of the payment of dearness allowances to the employees in the Town and minor Municipalities of the Tumkur District for the years 1943-44 and 44-45 for favour of kind information

As regards the question whether Government has to bear any portion of the cost involved in this behalf I am of opinion that Government may have to bear half the cost and the other half being met out by the respective municipalities as most of the municipalities are economically not in a good condition and left to themselves they may not ~~have~~ pay anything at all If government is not in favour of this ~~xxx~~ opinion ~~the~~ the Government grant of half the cost may be treated as a loan to be recovered when the finance of the local bodies improve

Sir,

Subject:- Information to be furnished re: total amount involved in respect of Dearness Allowance paid to the Municipalities in the District and the portion of cost to be borne by the Municipalities etc,

With reference to your letter No L.9528-37 dated 16-3-46 and subsequent reminder dated 20-5-46 calling for the above information with definite opinion as to whether Government should bear any portion of the cost etc , I have the honour to forward herewith, a statement showing the total amount involved for 2 years 1943-44 and 1944-45 received from the Municipalities of Chamarajanagar, Krishnarajanagar, Gundalpet, Mirle, Saligrama, T Narasipur, and Heggadadevankote The other Municipalities have not yet furnished these particulars and they have been reminded again to-day

As regards opinion to be expressed, it may be stated that Dearness Allowance was sanctioned as a war measure due to abnormal rise in the price of food stuffs and cloting and these adverse economic conditions having continued, the Dearness Allowance also has been continued, that during the period of war and after, there has been an abnormal rise in the Government Revenue under several heads such as Excise, Income-tax etc , while the revenues of the Municipalities have remained almost static, that further, owing to Government having taken over control of distribution of food grains, and cloth, there had been a shrinkage of revenue under Octroi, scarcity of building materials and consequent rise in the prices of thereof resulting in increased expenditure The Presidents of the Town Municipalities of Krishnarajangar, Chamarajanagar state that they have already heavy commitments made on account of important

schemes

schemes like Drainage, Water Supply, Town Halls High School. etc., and that Dearness Allowance is a heavy burden upon them which prevent them even from undertaking other important and urgent schemes The Council of Chamarajanagar states in these circumstances that the entire cost on this account be met by Government and the of Krishnarajanagar and Gundalpet say that half the cost be met by Government. The other Municipalities have not expressed opinion except furnishing statistics of expenditure.

The conditions explained above are equally applicable to the other Municipalities also viz Minor Municipalities with their slender resources have been striving to undertake ~~important~~ schemes asking for either the entire cost being met by Government or half the cost according to their resources, and their conditions are the efore no better

recommend In these circumstances that Government may be pleased to meet half the cost, uniformaly in all the Municipalities TOWN & MINOR.

I have the honour to be,
Your most obedient servant,

DEPUTY COMMISSIONER

Sir,

With reference to your letter No L-9529-37, dated 16th March 1946 requesting me to furnish information regarding the total amount of Dearness Allowance paid to the Municipal employees in this District for the years 1943-44 and 1944-45, I have the honour to forward herewith the statement giving the particulars of Dearness Allowance paid It may be seen from this that the total Dearness Allowance paid by the several Municipalities during the years 1943-44 and 1944-45 amounts to Rs 22,960/- and Rs 32,467/- respectively The probable amount required for the year 1945-46 is estimated at Rs 41,349/-

This item of expenditure is a very heavy strain on the finances of the Municipalities Even when Dearness Allowance was not paid, the normal income of some of the Municipalities was just sufficient to meet their normal expenditure. When the Municipalities began to meet this additional cost on account of Dearness Allowance, many of the important and obligatory works had to be given up in order to provide funds for meeting the cost of Dearness Allowance There has been no additional income to improve the financial position of these bodies and this unforeseen ~~of the Municipalities~~ item of expenditure has very severely told on the poor finances of the Municipalities In these circumstances, the Municipal Councils have found it very difficult to discharge their obligatory duties and unless generous grants from Government are made they will not be in a position to do any work of Public interest I am therefore

As it is stated that Government are bearing this cost entirely from State funds in respect of other institutions other than local bodies, I request the Government to pass Orders early on the subject The present expenditure will have to be met out of the closing balance of the current year's Budget pending orders of Government re the payment of full cost from State Funds

Subject - Payment of Dearness Allowance to the Employees of the Town and Minor Municipalities in the Sibsagar District

With reference to your letter No L 9529-37 dated 16th April 1946 and subsequent reminder letter No L 756-7 dated 15th July 1946 on the above subject I have the honour to forward herewith a statement showing the Dearness Allowance paid to the employees of the Town and Minor Municipalities in Sibsagar District during the years 1943-44 and 1944-45

As regards the question whether Government should bear a portion of the responsibility in this behalf I may state that this item of expenditure which is to be borne by the Local Bodies seriously affects the poor resources of the several municipalities which are to find funds to meet several important obligatory items of expenditure out of their own

I write to state in this connection that with a view to afford some relief to the employees of the several Aided Schools in the State Government in their order No 7235-6/Edn 118-40-36 dated 27th May 1946 have extended the benefit of obtaining half the cost of Dearness Allowance

I would therefore request that the concessions shown in the G C referred to above may kindly be ordered to be extended to the several local bodies also and sanction of Government may kindly be accorded to meet half the Dearness Allowance payable to the employees of the several Town and Minor Municipal Councils from the General Revenues

Sir

With reference to your memo No L 1949-53 of the 1st Instant calling for the opinion of the Board on the desirability of enhancing the rates of Dearness Allowance and High Price (War) Allowance paid to the non-gazetted officers of the Sanitary Board by 50% with effect from the 1st July 1946, as has been ordered in the case of such Government employees in Government Order No Fl C 1-64/S & A dated 20th July 46, I have the honour to state that the Board are agreeable to give effect to the enhanced rates of these allowances provided Government are pleased to give to the Board, a special grant to the extent of a moiety of the total cost on this account every year, so long as these allowances are continued A copy of the Board's resolution (by circulation) is enclosed for reference

In this connection, it is submitted that on the basis of the old rates of allowance, the monthly expenditure on this account works up to Rs 2,128/- or Rs 25,536 per annum according to the present sanctioned scale of establishment The enhancement of the allowances by 50% would mean a further expenditure of Rs 12,768/- per annum making a total of Rs 38,304/- per annum with effect from 1-7-46, which would work up to more than one-fifth of the Board's normal revenue Some of the taxes etc , have been enhanced recently and the Board cannot see their way to effect any further enhancement to meet this additional cost which though inevitable, is very heavy considering the Board's resources They therefore request that Government may be pleased to sanction an annual grant to the extent of a moiety of the total cost

involved on this account, so long as these allowances are in force The amount mentioned above includes the Dearness Allowance paid to the staff of the Sanitary Board High School which stands on a different footing Excluding this sum, the net expenditure on this account at the enhanced rates will be Rs 23,984/- per annum I request that as resolved by the Board, an annual grant to the extent of Rs 16,992/- may be kindly sanctioned to the Board, at an early date

In this connection, kind reference is also invited to this office letter No M 1 C 520/45-46, dated 26th April 1946 on the subject Orders of Government thereon are awaited

I am afraid that the provision does not include the allowances payble by the Local Bodies to their sta as they themselves have to pay them But the Council wants to clarify the matter

Sir,

Subject:- Opinion of the Town and Minor Municipal Council on the desirability of enhancing the rates of D A and H P(War) allowances paid to non-Gazetted officers of local bodies by 50%

With reference to your letter No L 1930-48 dated 1st August 46 on the above subject, I have the honour to state that out of 17 Municipalities(5 town and 12 Minor) the Presidents of 3 Municipal Councils viz , Chamarajanagar, Nanjangud and Gundalpet and 3 Minor Municipal Councils viz , Heg Kote, Saragur and T Narsipur have replied

The President, Chamarajanagar states that the Council have resolved to pay at enhanced rate of 50% provided Government contribute an equal sum The Presidents of Nanjangud and Saragur on the other hand report that Government might be requested to bear the entire cost on account of enhancement as they are not financially capable of meeting the extra expenditure out of their funds The Municipal Councils of Gundalpet and T Narsipur while agreeing to pay, have not raised any question of any part of the extra cost being borne by Government The Minor Municipal Council at Heggadadevankote requests that at least 1/2 the enhanced cost might be met by Government

The other Municipalities have been reminded again to expedite their reports in the matter

I have the honour to be,

Sir

Re grant of enhanced rates of Dearness Allowance and H P (War) Allowance to the non-gazetted staff of the K G F Sanitary Board, with effect from the 1st July 1946

In inviting your kind reference to correspondence ending with this office letter of even No dated 15th August 1946, submitting a copy of the Board's resolution (by circulation) on the above subject, wherein the Board had resolved that they are agreeable to give effect to the enhanced rates of these allowances with effect from the 1st July 1946, provided that Government are pleased to give to the Board, a special grant to the extent of a moiety of the total cost involved by this, I have the honour to state that subsequent to the passing of the resolution as above, the staff of the Board urged that they may ~~also~~ be given the enhanced rates of allowance as in the cases of similar staff working in Government Departments, immediately in view of the present abnormal conditions and difficulties The matter was again discussed at the ordinary meeting of the Board held on the 23rd ultimo and the Board have resolved that pending final orders of Government regarding the Board's request for a grant on this account, the increased rate of allowance which is in the nature of an inevitable payment, be paid to the Board's employees as in the case of similar employees of Government Departments, from the 1st July 1946, with the formal approval of Government I therefore request that formal approval of Government may be kindly obtained for the payment of the increased rates of allowance to the non-gazetted staff of the Board (including the staff of the Sanitary Board High School) with effect from the 1st July 1946,

pending final orders of Government on the Board's request for a Government grant A copy of the Board's resolution on the subject is enclosed for reference

As the employees of the Board have been urging for payment, I request the favour of very early orders in the matter

I have the honour to be,
Sir,
your most obedient servant,

With reference to your letter No L 1930-48 dated 1-8-46, requesting to submit the opinion of the District Board on the desirability of enhancing the rates of Dearness Allowance and High price (War) Allowances paid to the non-gazetted officers of the Local Bodies by 50%, as has been ordered in the case of such Government employees in Government Order No Fl C 1-64/S & A dated 20th July 1946, I have the honour to state, that this subject was placed before the Board at their meeting held on 5-9-46, and they have resolved to enhance the rates of Dearness Allowance and High Price (War) Allowances to the non-gazetted officers of the Local Bodies, by 50% as in the case of Government employees

Further they have resolved that, after the commencement of war, and that too, at present as the income of the Government has increased to a great extent and that of the District Board remains almost as it was prior to 1939, the Government may be requested to meet this item of expenditure payable by the Board, for their employees, as Dearness Allowance and High price (War) Allowances are the direct outcome of war conditions and as the abnormal increase in the revenues of the state compared with what they were prior to 1939 ~~also~~ are also due to war conditions alone

Copies of the resolutions of the District Board are herewith enclosed for kind reference and for obtaining the orders of Government in the matter

Enhancement of Dearness Allowances to the employees of the Local Bodies

With reference to your Telegram dated the 13th September 1946 and in continuation of my letter No D3 588 of 46-7 dated 31-8-1946 on the above subject, I have the honour to state that 5 more of the Municipalities, viz , Hunsur, Saligrama, Nugur, Yelandur and Agaramamballi have replied

While they have all agreed to pay at enhanced rate, they are not unanimous in regard to the proportion of extra cost to be borne by Government Hunsur wants the entire extra cost to be borne by Government Yelandur and Agaramamballi urge for 2/3 and ½ respectively to be granted by Government and Nugur requests for a subvention in order to bear the extra cost as its finances do not admit of the Additional Expenditure to be incurred thereby Saligrama has not raised any question of contribution

From the consensus of opinion expressed, it is clear that the Municipalities in general expect contributions from Government in proportions varying from ½ to 2/3

Similar opinion had been expressed when opinions had bee

Re: Payment of enhanced rate of dearness allowance by 50% to the non-gazetted staff of the Local Bodies

With reference to your No L 1930-48 dated 1st August 1946 on the above subject, I have the honour to state that the Mysore City Improvement Trust Board Office is considered only as a quasi Government Department Accordingly the increased rate of dearness allowance is being paid in the usual course, as in the case of other Government Departments

In view of heavy rise of food stuffs in the market and the great hardship caused to the non-gazetted staff, it is quite necessary to give effect to the orders of enhancement of dearness allowance in the case of the Trust Board also But as this office cannot be considered as either a Municipality or District Board, but assumed as a quasi Government Office, it is not necessary to obtain the opinion of the Board in this matter

Sir,

With reference to your letter No L 1030-48, dated 1-8-46 requesting me to obtain and submit the opinion of the several town and Minor Municipal Councils in the District on the desirability of enhancing the rates of Dearness allowance and high price allowance paid to the non gazetted staff of the Local bodies by 50% as in the case of Government employees, I have the honour to state that all the Municipal Councils in the District (Except the Mayakonda Minor Municipality which has not submitted the report) have resolved that they are in favour of the proposal

The Municipal Councils of Chitaldrug,Davangere, and Molakalmuru have resolved that the Government may be requested to bear the entire D A including what has been paid from the beginning on the ground that their resources are slender and they have got other commitments The Hosadurga Municipal Couhcil has requested the Government to meet 50% of the D A due for payment

On a previous communication received from Government, a recommendation was made with this office letter No A6 C 2705-423/45-46 dated 27-5-1946 requesting the Government to contribute half the charges of D A paid by these Municipal Councils

The financial condition of the the Municipalities in the District is unsound and the collections are also not satisfactory on account of the adverse seasonal conditions These Municipalities are unable to bear the charges as it would be a heavy drain on their resources

In these circumstances, I request that orders of Government may be obtained,

(1)

(1) For enhancing the dearness allowance and high price allowance payable to the non-gazetted staff of these Municipalities by 50% as in the case of Government ~~employment~~ employees and

(2) For three fourths of the expenditure on this account being met by Govt including what has already been incurred by the Municipalities so that, these Municipalities might have enough funds left for carrying out other essential improvement works

The connected reports and copies of the resolutions of the several Municipal Councils are enclosed for favour of referance

Subject - Enhancement of the dearness and high price allowance to be paid to the non-gazetted officials of the local bodies by 50%

In this connection, I am to invite kind reference to this office letter No 5 C 662-197/44-45 dated 23-5-1946 and to state that the additional expenditure involved on account of the increased rate of dearness allowance is Rs 93,130/- per year I request you kindly to obtain orders of Government for payment of the contributi of the expenditure to the Municipality on the above account from the year 1944-45 at Rs 1,79,792/- per year as intimated in this office letter dated 24-5-1946 and contribution of Rs 2,80,920 for the curre year as per enhanced rates In view of the urge from the emplo particularly gangs and sweepers, I have drawn and disbursed the enhanced ratex of allowance to the Municipal staff from 1-7-46 in

Subject: Enhancement of Dearness Allowance paid to the non-gazetted Officers of local bodies by 50%

Sir,

With reference to your letter No L 1930-48 dated 12th August 1946 requesting me to obtain the opinion of the several Town and Minor Municipal Councils in this District regarding revision of rates of dearness allowance now being paid to Municipal employees on the analogy of rates prevailing in other departments of Government, have the honour to forward herewith the resolutions of all the Municipalities except Chintamani Town Municipal Council Though the Municipal Councils generally agree to the revision of the dearness allowance now paid to the Municipal employees, some of them have pleaded inability to bear the cost on account of their very limited income and they state that the amount required to meet this extra expenditure may be sanctioned by Government as a subsidy to the Municipalities In this connection, I

I write to invite your kind reference to this office letter No 40 I B 30/45-46 dated 8th July 1946 submitting proposals for sanction of out-right grant from Government to the Municipalities mentioned therein. The resolutions of the several Municipal Councils are hereunder sent for favourable consideration of Government. The resolution of the Chartoni Council will be sent up shortly.

In the mean while, I may add that enhanced rate of dearness allowance may be paid to the employees of this Municipality as in the case of other nongazetted Officers in Government service But with regard to the bearing of the burden of meeting this extra expenditure the Municipal Council is not in a position to bear this cost out of normal income of the Municipality as the

Sir,

Enhancing the dearness allowance to non-gazetted officers in the Municipalities by 50%

With reference to your letter No L 1930-48 dated 1 8 1946 calling for the opinion of the Town and Minor Municipal Councils re the desirability of enhancing the rates of dearness allowance to non-gazetted officers by 50% as in the case of Government employees I have the honour to forward herewith the resolutions received from the Municipalities noted in the margin bearing to the proposal. The Municipal council of Schlesur is of opinion that at least half of the cost involved under dearness allowance may be borne by Government and the Municipal Councils of Benavar and Alur have stated that the entire expenditure on this account may be paid by Government

1 Schlesur, 2 Benavar, 3 Belenarsipur, 4 Hassan, 5 Belur, 6 Alur.

The Municipal presidents of Arkalgud, Konanur, Channarayapatna, Sravanabelgola and Arsikere have not furnished the resolutions of Municipal Council and they have been reminded in the matter. As the employees in the Municipalities are all lent officers the dearness allowance paid to Government employees is to be paid by these local bodies also. As the budgets have already been reviewed this allowance be ordered to be met out of the closing balance of the Municipalities concerned.

It may be stated in this connection that the Municipalities are liable to bear the cost of the establishment which work to the advantage of the Municipalities. The allowance is also a legitimate charge on the funds of these bodies.

Re Grant of enhanced rates of Dearness Allowance and H P. (war) Allowance to the non-gezetted staff of the Sanitary Board with effect from the 1st July 1946.

In continuation of correspondence ending with this office letter of even no of the 10th instant, on the above subject I have the honour to state that a report was received from the Medical Officer of Health of the Sanitary Board on the 16th instant (evening) to the effect that the sweepers of Robertsonpet refused to go to their work that evening on the ground that the difference of Dearness Allowance due to them at the enhanced rates mentioned in G O NO Fl C 1-64/S & A dated 20th July 1946 had not been paid to them They did not resume their work, though they were informed that sanction of Government had been sought for to pay ~~this~~ the enhanced rate and that the difference due would be paid to them soon after formal orders of Government are received in this connection They were not amenable to any persuasion unless some immediate relief was promised It was only on the assurance of the Vice-President of the Board that the amount due would be paid to them on the 20th instant, in anticipation of Government approval that they resumed their work on the 17th instant

As this payment is in the nature of an inevitable expenditure, I have issued instructions for the payment of the enhanced rates of Allowance due, from 1-7-46 to the sweepers pending formal orders of Government making the enhanced rates

applicable to the Board's staff I request that my action may be kindly approved.

I solicit the favour of early sanction of Government to the payment of Dearness Allowance at enhanced rates to all the temporary and permanent non-gezetted staff whose salary is met from the Board's funds (including Sanitary Board High School staff, sweepers, road gang, milk centre establishment etc ,) pending final orders of Government re the question of Government meeting moiety of this cost as requested in this office letter no M 1 C 520/45-46, dated 15th August 1946

Subject Re payment of increased Dearness allowance to the Municipal Employees of Kolar town for the months of July, August and September 1946

In continuation of this office letter No O C 307/45-46 dated 28/8/46 submitting a copy of the resolution of the Town Municipal Council, Kolar regarding the payment of increased dearness allowance to the Municipal Employees, I ha the honour to state that the increased D A has not been drawn to the staff for the above months for want of separate sanction from Government Now it is learnt that the increased D A has been paid to the Municipal Employe of the several towns in this District

In this connection I may be permitted to add that it was proposed to draw the increased D A to the Municipal employees in anticipation of Govt sanction to the resolution of the Municipal Council but the Auditor attached to this office has raised an objection stating that sanction of Govt is necessary to admit the claim Hence the amount was not drawn and disburse for the last three months The Municipal sweepers and scavengers of this Municipality struck work on the morning of 4/9/46 but on the assurance given that the increased D A would be paid soon after the receipt of orders from Government they returned for the work But having waited for nearly one month they again struct work on the afternoon of 1/10/46 and the morning of 2/10/46 but when they were assured that increased D A would be paid after seeking instructions from the Deputy Commissioner, they returned to work subject to certain conditions

As these menial staff are seriously agitating for the disbursement of the increased D A, I request you to be so good as to kindly issue necessa instructions for the payment of the increased D.A to the Municipal employee for the months referred to above with a view to avoid further strikes and dislocation of the work in the conservancy and sanitation establishment of the Municipality The extra cost on account of increased D A would come u to Rs 451/- per mensum Soliciting the favour of early orders

Sir,

Payment of Dearness Allowance at increased rate of 50 per cent to the non-gazetted staff of the Local Bodies

With reference to your letter No L 10974 dated 6th February 1947 calling for further report promised with definite opinion on the above subject, I have the honour to state that replies were due from four Municipalities, viz , Saragur, Bannur, Talkad and Periapatna when the last report was made on 20-12-46 Since then, two Municipalities viz,, Talkad and Bannur have furnished the particulars which are noted below

Municipalities	Amount of Dearness Allowance paid during 1943-44	1944-5
1) Talkad	675 14 6	934 0 0
2) Bannur	1,051 8 0	1, 432 0 0

The other two muricipalaities Saragur and Periapatna have been reminded again

As regards definite opinion of the local bodies, I would invite your kind reference to the opinion expressed by my predecessor in his letter No D3-204(P R)/46 dated 19-6-46/5-7-1946/ with which I agree generally In view of heavy commitments made by Town Municipalities towards drainage,

drainage, water supply and other Town Improvement Works, and the slender resources of many of the Minor Municipalities, contribution of a majority of the increased expenditure by Government will, I think be necessary to enable them to meet the extra cost involved

Sir,

Sub: Payment of enhanced dearness allowance to the staff in Aklespur Municipality

---

I have the honor to state that the Municipal Council of Aklespur had resolved in their meeting held on 28-8-46 agreeing to pay the enhanced rate of dearness allowance to the employees of the Municipality but expressed to request Government to meet at least one half of the total cost incurred towards dearness allowance. The Govt have ordered in [illegible] (1946-47) 1 MU-46-3 dated 28-11-1946 that no cost on this account will be borne by Government. This order has been communicated to all the Municipal Presidents for information. The Town Municipal Council of Aklespur has now passed a resolution at their meeting held on 27-11-46 modifying their previous resolution of 28-8-46 and agreeing to pay the enhanced dearness allowance from 1st July 1946 and to meet this cost out of the closing balance of the Municipality.

A provision of Rs 3000/- has been made in the sanctioned budget for the current year for the payment of dearness allowance. The total cost involved for the payment of dearness allowance at the enhanced rate is said to be 4,248/- per mensem. The extra cost of 1,248/- required over and above the sanctioned provision of 3,000/- is proposed to be met out of the closing balance.

I request that sanction of Government may kindly be obtained to the resolution dated 27-11-1946 of the Municipal Council to pay the dearness allowance to their employees at the enhanced rate with effect from 1st July 1946.

Copies of resolutions are enclosed.
